

Homework #3

Due Friday January 31

Note: your midterm on Thurs. February 6 covers chapters/material related to Problem Sets 1-3 only.

Read Chapter 6 of Strogatz.

The following problems are from Strogatz Second Edition, the one with the black cover. (A scan of the exercises in chapters 6 can be found on Canvas in the files section, in a folder called homeworks.)

Solutions to the following problems should be written up carefully and turned in online; almost all of the problems have a * indicating that they are worth 10 points. The full assignment is worth 65 points.

Strogatz: 6.1.14*, 6.3.10*, 6.3.13, 6.4.9*, 6.4.11*, 6.5.6*, 6.5.20*
