

Homework #4
Due Tuesday, February 18

Read Chapter 7 of Strogatz.

The following problems are from Strogatz Second Edition, the one with the black cover. (Scans of the exercises in chapters 6 and 7 can be found on Canvas in the files section, in a folder called Problem Sets.)

Solutions to the following problems should be written up carefully and turned in online; note that a problem with a * is worth 12 points; all other problems are worth 8 points. (Full assignment is worth 56 points.) Also note that some problems consist of multiple problems from Strogatz as indicated in parentheses.

Strogatz problems:

6.8.2-6.8.5 (all 4 problems), 6.8.8, 6.8.14

7.2.7-7.2.9* (all 3 problems), 7.2.12, 7.3.1-7.3.2* (both problems)
